

## AFTER INTERMEDIATE WHAT? [CAREERS]

### PUBLIC SECTOR: Central Government Jobs

---

Central Government jobs are some of the well-paid and well cared for jobs in India. The Central Government administration is run in Hindi and English. Therefore the youth who want to make a career in Central government offices have to acquire proficiency in the said two languages. Besides, except in the case of the job relating to communication ability in the regional language, people from all over India are eligible and the job has All India transferability. The job is secure and pensionable.

Leave Travel concession is available all over India once in 2 years and to Home town once in 2 years in a block period of 4 years. Dispensaries and accredited Hospitals are available all over India to provide continuous services to the Central Government employees through the Central Government Health scheme.

#### Recruitment practices:

The Union Public Service Commission (UPSC) and the Staff Selection Commission (SSC) ([External website that opens in a new window](#)) are the two main agencies which carry out recruitment to services and posts under the Union Government through a strict selection process.

*The Union Public Service Commission (UPSC) has been established under Article 315 of the Constitution of India. The major role played by the Commission is to select persons to man the various Central Civil Services and Posts and the Services common to the Union and States).*

The Staff Selection Commission (SSC) is an attached office of the Department of Personnel and Training. The SSC makes recruitments to non-technical group 'C' and group 'B' non-gazetted posts in Ministries/ Departments, the attached and subordinate offices of the Government of India, the C.A.G, and the offices of the Accountant General.

#### **Classification of Posts:**

**The civil service of the Central Government ,as against the military service , is organised into four groups, viz. Group `A' (which includes all- India Service) Group `B', Group `C' and Group `D'.**

Such classification broadly corresponds to the rank, status and the degree of the level of responsibility attached to the posts. Group `A' posts carry higher administrative and executive responsibilities and include senior management positions in the ministries/departments and field organizations. The middle and junior levels of Group `A' along with Group `B' constitute middle management.

Group `C' posts perform supervisory as well as operative tasks and render clerical assistances in ministries and field organizations.

Group `D' posts are meant for carrying out routine duties.

The Central Services (Classification, control and Appeal) Rules, 1965 provide a concrete and specific criterion for classification of posts in terms of pay. Thus, posts carrying pay or scale of pay with a maximum of not less than 13500/- are categorised under Group `A'. Posts carrying a pay or scale of pay with a maximum of not less than Rs.9000/- but less than 13500/- are known as Group `B' posts. Civil posts with a maximum pay (or a scale of pay) over Rs.4000/- but less than Rs 9000./- are in Group `C'.

The rest of the posts are in Group `D'.

## **Posts for which Direct Recruitment is held:**

### **a) Through Central Employment Exchange New Delhi;**

Posts of Technical and scientific nature carrying a basic pay of Rs. 1400/- or more per month, occurring in establishments in respect of which the Central Government is the appropriate Government under the relevant Act and (b) vacancies which an employer may desire to be circulated to the Employment Exchanges outside the State or Union Territory in which the establishment is situated are notified to this Central Employment Exchange. The Central Employment Exchange, which does not maintain any Live Register of job seekers, advertises these vacancies on behalf of the Employer at its cost and calls for applications from the eligible and willing candidates and advises them to submit the Applications directly to the Employer within a prescribed date.

Candidates having qualifications of technical and scientific nature, who are facing unemployment in their areas can benefit from such opportunities. They must keep a watch on the EMPLOYMENT NEWS tabloid every week.

### **b). Through Local Employment Exchanges:**

Every State has got a network of Employment Exchanges at the District and sometimes, even at the sub-District level. All types of candidates are registered by them, Live register of jobseekers maintained in order of seniority, and eligible and willing candidates sponsored to the indenting Employers in order of seniority, in 1:20 ratio, to be considered and tested or interviewed by the Employer who is the final authority in the matter of selection of the right candidate. His decision is final. Out of the 20 candidates sponsored, one is selected and 19 return to the Employment Exchange.

Usually lakhs of candidates are registered in an Employment Exchange; vacancies notified to it are very less and distantly placed; the no. that can be sponsored is also very less; hence, the system takes long time to afford any solid help to the job seekers and is usually cause for concern, despair and disappointment.

Besides. In 1996, the Supreme Court of India has declared that the practice of confining the recruitment to candidates sponsored by the Employment Exchange only, is unconstitutional; it prescribed that vacancies should be simultaneously advertised widely and applications from the eligible and willing candidates be called for and jointly considered by the Employer along with the list of candidates received from the Employment Exchange.

This judgment virtually finished off the exclusivity of Employment Exchange candidates and made them be treated as any other candidate. While the Exchange sponsored senior, old candidates, the open market threw up

fresh candidates for recruitment, fresh blood, fresh knowledge, fresh enthusiasm to serve; naturally, the employers selected them; thus the Employment exchange candidates have been standing to loss . The number of Registration-seekers at the Employment Exchanges has consequently dwindled and fresh candidates are preferring direct ,open opportunities to contest for jobs only temporary, need-based posts in Group “C’ are filled through the Employment Exchanges in Central Government offices. They are also advertised in the Press. One can see and apply on that basis.

**c) Through Public Notification by Advertisement in Press:**

Vacancies are filled in the Central Government offices at New Delhi or throughout India by the Employers or the Recruitment Agencies by advertising in the Press. Therefore candidates desirous of a job in the Central government offices should keep perusing the EMPLOYMENT NEWS weekly or major English dailies regularly. They can visit the local book stalls highlighting theses ads and selling blank application forms at major Bus Stations, Railway stations and central public places to know the latest central government vacancies advertized and their last date to apply.

**d) Through Staff Selection Commission:**

**Brief History:\***

The Estimates Committee of Parliament, in its 47th Report (1967-68), recommended the setting up of a Services Selection Commission for conducting examinations to recruit staffs for central government departments. \*Government of India decided to constitute Subordinate Services Commission under an Executive Resolution in November, 1975. \* It was renamed as Staff Selection Commission (SSC) on September 26, 1977.

**Main Function of SSC:**

The Staff Selection Commission now makes recruitment to Group B (Non-Gazetted) and non-technical group ( c) posts in the Ministries/ Departments, attached and subordinate offices of the Government of India; the C&AG and its Accountant-General offices, Election Commission & Central Vigilance Commission.

**INTRODUCTION:**

The main responsibility of the Staff Selection Commission is to make recruitment to Group C (non-technical) & Group B (non-gazetted- both technical & non-technical) posts in departments of Government of India, its attached & subordinate offices except those for which recruitment is made by the Railway Recruitment Boards & Industrial Establishments. The Staff

Selection Commission is also assigned the task of conducting Departmental Examinations for:--

Promotion from Group D to LDC Grade,  
Promotion from LDC to UDC Grade and

Promotion from Stenographers Grade D to Stenographers Grade C besides holding Periodical Typewriting Tests in English & Hindi.

The Staff Selection Commission has a nationwide network of 9 Regional/Sub-regional Offices located at Allahabad, Bangalore, Chennai, Guwahati, Kolkata, Mumbai, New Delhi & Sub-regional offices located at Chandigarh & Raipur.

Main responsibilities of Staff Selection Commission's Regional/Sub-regional Offices include, inter alia, implementing the policies & programmes of the Commission, supervising & overseeing its field operations, liaising & establishing rapport with State Governments & their Departments, making arrangements for impartial & smooth conduct of examinations, assisting Interview Boards & servicing the Examination Centres within their area of jurisdiction.

- During 2005-2006, the Commission conducted 8 all-India open examinations & 3 Departmental Examinations.
- During 2005-2006, 15.7 lakhs candidates applied for the 8 all-India Open Examinations, 22968 applied for Selection Posts & 3275 applied for Departmental Examinations, conducted by the SSC. The Commission organized its major examinations through a network of 90 Examination Centres at 766 venues.
- During 2005-2006, the Commission nominated 3374 candidates for appointment to various posts through all-India open examinations, & 133 candidates were nominated against selection posts.

### **Organizational Structure:**

The SSC is headed by a Chairman with 2 Members & a Secretary-cum-Controller of Examinations.

### **Regional Network:**

The SSC has nine Regional/Sub-Regional Offices in different parts of the country. These Regional/Sub-Regional Offices are responsible for receipt & processing of applications for various examinations, issue of admit cards to the candidates, conducting the Interviews/PETs (wherever required) either at the Regional Headquarters or other major cities within the regions.
