

AFTER SSC WHAT?

(VOCATIONAL COURSES)

INTERMEDIATE COURSES

A P Board of Intermediate Education offers 45 Vocational Courses at the intermediate level.

Vocational Courses benefit those students who need to start their earnings at the earliest, as early as they are 10+2.

Intermediate (Vocational Courses are available at select govt. Junior Colleges in the State, having the necessary infrastructure to take up the courses. All the Govt. Junior Colleges do not offer all the Inter (Vocational Courses. Only select Colleges offer some Courses.

Students should find out which Government Junior College is offering which vocational courses. They must try to go by their aptitude and interest in the matter of selection of the Course and the College. Personal enquiries must be made to ensure that proper, regular faculty is also available at the college. Students must learn the applicable skills in right earnest. If they are not being imparted, they must demand and learn them, because only in this manner they can ensure that they become successful in the job market or self-employment field later.

Some of the Intermediate Vocational courses offered are :

Inter (Dental Hygienist)

Inter (Dental Technician)

Inter (Medical lab-Technician)

Inter (Physiotherapy Technician)

Inter (X-Ray Technician)
