About MS IAS Academy

MS Education Academy, having set a bench mark in the school, college, medical, engineering and IIT entrance examination has set foot in the Civil Services Examination.

Under its corporate social responsibility (CSR) programme, MS has started IAS Academy in the

year 2017 to train the Muslim youths for the prestigious examination of the country; UPSC Civil Services Examination. Induction programme for the fourth batch has been initiated. The admission will be made through written test (Objective & Subjective) and Interview. The written test will be conducted on **21st July 2019 across 23 States**. Students will be selected after a rigorous admission test.

It is a completely free residential coaching programme. Students are provided free accommodation along with South Indian food (Breakfast Lunch & Dinner). They will be rigorously trained under the guidance of expert faculties, bureaucrats and civil servants.

Why MS started IAS Academy?

A quick glance at the statistics of Sachar Committee Report shows that our community constitutes more than 18% of the population of our country. The picture is grimmer if we see the percentage of Muslims in Government related Employment, which is only 3%. If we want to become asset of the country, we need to start contributing and representing in every sphere.

Uniqueness of MS IAS Academy

Apart from covering UPSC syllabus, MS IAS Academy also conducts Mind mapping, Speed Writing/Reading and memory development classes which are considered 21st century learning skills.

The above classes enable students to boost their memory power & sharpen their critical thinking.

For Civil preparations, mentoring by previous and present bureaucrats is of paramount importance. Knowing this, MS IAS Academy is blessed with numerous mentors who visit, guide and counsel our students almost every month. Students will be taken on field trips to chambers of notable officers to get the feel of real service men in action.
