*One institute's Vision, Commitment & Effort  
can change barren lands into ...*

*“Trends in education are changing - Rote learning to Hands on experimentation, Linear to Rhizomatic approach, Teacher driven to Child centric and more.*

*Expectations from education are more than ever and even the best schools these days struggle to catch up.”*

One such organization that managed to withstand all the tests of time, changing trends and expectations alike is MS EDUCATION ACADEMY. 24 years of imparting Quality Education from KG (Kindergarten) to UG (Undergraduate) in 11 cities and 51 institutions across India to more than 20,000 students on roll at once, MS stands tall against all odds. Whether 10th or 12th board exams, MS students bagged State 1st many times and made their mark in the state top 10 among millions of students that appear for such exams every year. Academic excellence is a norm at this result producing organization, even the first batch of its Degree College brought laurels in the form of University 1st in B.Com computers and 5th rank in B.Sc. Qualifying ranks in IIT-JEE for exceptional engineering colleges, CA-CPT for Chartered Accountancy, EAMCET for Medicine and Engineering wherein 100's of medical and 1000's of engineering seats, Nation 1st in Biology are to name a few more achievements.

Focusing on all round development MSians get trained and win competitions like Science Fair, Sports, Arts, English Fiesta and bag titles like Emerging Scientist of the Nation, Best Young Doctor, Best Speaker and the like; School itself was awarded Best School of the year award in Hyderabad and Karim Nagar.

MS group of Institutions keep effective upbringing (tarbiyah) of the children at its core through value based curriculum and spiritual guidance from Islamic Studies; thus, keeping the students well rooted with values and strengthened with skills and competencies to succeed in this world and hereafter.

- ♦ **Pratibha award for Excellence in Education** continued to be awarded again to the toppers of our institutions
- ♦ New branches in Delhi fared excellent with many students securing top positions in interschool competitions

### Year of Excellence

- ♦ Muslim representation at IIT is insignificant and so is at any other prestigious institution in India; this made us analyze thereasons and factors behind
- ♦ Excellence is what is needed not just Ranks to make an entry into such institutions. Therefore, MS established **MS Institute of Excellence** at **Masab Tank** and **Malakpet** as a platform for enthusiastic students with good potential to excel
- ♦ Collaborated with Maulana Wali Rahmani Sahab to take cue from Rahmani 30 which prepares Muslim students for IIT Started **MS Rahmani 30** in collaboration at **Hyderabad** with the sole purpose of identifying and grooming talent so much so that they make our niche at IIT
- ♦ Response from Delhi encouraged us to open another branch of **MS Creative School** at **Yamuna Vihar**
- ♦ Trend continued and requests poured in for schools in various cities. However, expansion was limited and controlled as MS does not believe in acquiring funds or charity or help in any kind from Government or Non Government organization
