

AZAB FOR MOCKING THE RIGHTEOUS AS MENTIONED IN THE QURAN

Surely We sent Nuh (AS) to his people. So he said, "O my people, worship Allah. You have no god other than Him. I fear for you the punishment of a great day."

Surah Al-A'raf, Chapter: 7, Ayah: 59

Nation of Hazrat Nuh (AS):

The terrible day arrived when the oven at Nuh's (AS) house overflowed. Nuh (AS) hurried to open the ark and summon the believers. He also took with him a pair, male and female, of every type of animal, bird and insect. Seeing him taking these creatures to the ark, the people laughed loudly: "Nuh (AS) must have gone out of his head! What is he going to do with the animals?" slowly the level of water increased and every non-believer died in the flood. Nuh's (AS) wife and his son who were non-believers didn't join him and faced death. Not a single non-believer was left alive. Then the order to stop the rain and to retreat the water was given and once again dry land was shown but flood had cleaned the non-believers from the land.

AZAB FOR ARROGANCE AS MENTIONED IN THE QURAN

And as for 'Ad, they were destroyed by a violent windstorm that He imposed on them for seven nights and eight consecutive days; so you could see them thrown on the ground, as if they were trunks of hollow palm-trees. Now, do you see any remnant of them?

Surah Al-Haaqqa, Chapter: 69, Ayah: 6-8

Nation of Ad - Hazrat Hud (AS):

The people of 'Ad lived many years in the windswept hills of an area between Yemen and Oman. They were physically well built and renowned for their craftsmanship especially in the construction of tall buildings with lofty towers. They were outstanding among all the nations in power and wealth, which, unfortunately, made them arrogant and boastful. Allah (SWT) wanted to guide and discipline these people so He sent Hazrat Hud (AS) from among them, who handled this task with great resoluteness and tolerance, but they refused to worship Allah (SWT) alone. They worshiped other gods, also, including idols. This is one sin Allah (SWT) does not forgive and they were punished.

AZAB FOR DEFYING ALLAH'S COMMANDS AS MENTIONED IN THE QURAN

"And O my people, this is the she-camel of Allah, a sign for you. So, leave her free to eat on the earth of Allah, and do not even touch her with evil (intention), lest an approaching punishment should seize you." Then they slaughtered her. So, Saleh (AS) said, "Enjoy yourselves in your homes for three days (only). That is a promise, not to be backed out".

Surah Hud, Chapter: 11, Ayah: 64-65

Nation of Hazrat Saleh (AS):

This warning was an occasion for them to repent to Allah (SWT), but to the contrary, they not only disbelieved in the threat but also decided to kill Saleh (AS) as well.

After three days Angel Gabriel (Jibreel) (AS) shackled the walls of their homes and when they came out of their homes, he made a loud sound by made them dead except Saleh (AS) and the believers.

AZAB FOR HOMOSEXUALITY AS MENTIONED IN THE QURAN

The people of Lut (AS) rejected the warners. We sent upon them a rain of stones, except the family of Lut (AS) whom We saved in the last hours of night, as a grace from Us. This is how We reward the one who offers gratitude. And Lut (AS) had certainly warned them of Our grasp, but they disputed the warnings.

Surah Al-Qamar, Chapter: 54, Ayah: 34-36

Nation of Hazrat Lut (AS):

Lut (AS) was sent as a messenger to one of Hazrat Ibrahim's (AS) neighboring communities. These people, as the Qur'an tells us, practiced a perversion unknown to the world up to then, namely sodomy. When Lut (AS) told them to give up this perversion and brought them Allah's (SWT) warning, they denied him, refused his Nabuat, and carried on with their perversion. In the end, these people were destroyed by a dreadful disaster.

AZAB FOR CHEATING IN MEASURE & WEIGHT AS MENTIONED IN THE QURAN

And to Madyan (We sent) their brother Shu'aib. He said, "O my people, worship Allah. You have no god other than Him. There has come to you a clear sign from your Lord. Give the measure and weight in full, and do not make people short of their things, and do not make mischief on the earth after it has been set in order. That is good for you, if you are believers.

Surah Al-Araf, Chapter: 7, Ayah: 85

People of Madyan:

They seized the belongings of Hazrat Shoaib (AS) and his followers, then drove them out of the city. The Messenger turned to his Lord for help, and his plea was answered. Allah (SWT) sent down on them scorching heat and they suffered terribly. On seeing a cloud gathering in the sky, they thought it would bring cool, refreshing rain, and rushed outside in the hope of enjoying the rainfall. Instead the cloud burst, hurling thunderbolts and fire. They heard a thunderous sound from above which caused the earth under their feet to tremble. The evil doers perished in this state of horror.

AZAB FOR DISBELIEF (KUFR) AS MENTIONED IN THE QURAN

They said, "Whatever sign you bring to us to enchant us with, we are not going to believe in you." So We sent upon them the storm and locusts and lice and frogs and blood, as signs distinct from each other. Yet they showed arrogance, and they were a guilty people.

Surah Al-A'raf, Chapter: 7, Ayah: 132-133

Nation of Hazrat Musa (AS):

These were different signs of Allah's (SWT) displeasure with them, sent one after the other to serve as warnings against a greater scourge that might befall them if they persisted in their disbelief and misdeeds. To begin with, they experienced a furious storm; then locusts were sent to destroy their crops; lice or pests were created in abundance to afflict men and livestock; frogs were found everywhere, which made their life miserable; blood used to be present in the water. Each time they faced a hardship from one of these signs, they requested Musa (AS) to pray to Allah (SWT) to remove it, but when it was removed, they attributed it to sorcery of Musa (AS), and then another sign was sent to them from above.

AZAB FOR BLASPHEMY

AS MENTIONED IN THE QURAN

Their practice is like that of the people of Pharaoh and those before them. They rejected the signs of their Lord. So, We destroyed them for their sins and drowned the people of Pharaoh; and all of them were wrongdoers.

Surah Al-Anfal, Chapter: 8, Ayah: 54

Fir'awn who was Drowned:

Ancient Egypt is known to be one of the oldest civilizations in the world and it is recognised to have been an organised state with the most advanced social order of its age. They discovered writing around the 3rd millennium B.C. they made use of the river Nile and were protected against dangers. This "civilized" society was one in which "the reign of pharaohs (Fir'awn)" prevailed, which is the system of denial mentioned in the clearest and most straightforward way in the Qur'an. They were proud and blasphemed. In the end, neither their advanced civilizations, their social and political orders, nor their military successes could save them from being destroyed.

AZAB FOR DENYING AND KILLING THE MESSENGERS AS MENTIONED IN THE QURAN

They (the people of the Town) said, "You are no more than human beings like us, and the Rahman (the All-Merciful Allah) has not sent down any thing. You are but telling a lie."

Surah Yaseen, Chapter: 36, Ayah: 15

As'hab Al-Qarya:

They even said to the messengers that they brought evil omen to them and threatened to stone them if they did not leave. During this conversation, somebody from the other end of the town came running and told the people of the town to believe in those messengers.

The unbelievers killed this person, who expressed the truth logically. When those three messengers, whom they did not believe in, left that town, a strong noise caught the people of the town and destroyed them.

AZAB FOR BEING UNGRATEFUL AS MENTIONED IN THE QURAN

Then they turned away. So We sent to them the flood of the dam, and replaced their two gardens with two gardens having fruits of bitter taste, and tamarisk and some bushes of wild lotes. Thus, We punished them because of their ungratefulness. We do not give (such a) punishment but to the ungrateful.

Surah Saba, Chapter: 34, Ayah: 16-17

The Nation of Saba:

The powerful nation of Saba with wealth and welfare gave up worshipping Allah (SWT) by obeying Satan despite so many bounties given to them, they were punished by a flood (Flood of Arim), their fertile land was transformed into an arid land and their bounties were transformed into shortages. Regarding the date of the demolition of the dam wall, historians mention various dates between 4th century BC and 6th century CE. This difference can be explained by the possibility of the repetition of the disaster.

AZAB FOR BAD INTENTION AS MENTIONED IN THE QURAN

We have tested them as We had tested the Owners of the Garden, when they had sworn an oath that they would pluck its fruits on the next morning, And did not make any exception (by saying Insha'Allah). Then, there whirled around it a whirl (of calamity) from your Lord, while they were asleep. Thus, on the next morning, it was like a harvested field.

Surah Al-Qalam, Chapter: 68, Ayah: 17-20

People of Garden:

The issue mentioned at length in verses 17-32 of the chapter of Al-Qalam (68) is about some siblings who did not make good use of the garden like Paradise they inherited from their father they intended not to share the fruits of the garden with anyone and would harvest before anyone arrive, unlike their father who helped others through charity. It is said that their ungrateful attitude toward Allah (SWT), Who granted them that bounty, which they eventually lost.

AZAB FOR TRANSGRESSION AS MENTIONED IN THE QURAN

So, when they forgot the advice they were given, We saved those who used to forbid evil and seized those who transgressed with a bitter punishment, because they had been disobeying. When they persisted in doing what they were forbidden from, We said to them, "Become apes debased."

Surah Al-Araf, Chapter: 7, Ayah: 165-166

As'hab as-Sabt:

Means the Sabbath-breakers. Saturday was made the day of the Sabbath for the Children of Israel from the time of the Hazrat Musa (AS). On the Sabbath day they were asked to do nothing but worship and remember Allah (SWT). They had not to do any work, not even fishing. Due to this, on the day of Sabbath, fish came in great numbers to the sea-shore. The young men became greedy and would dig ditches so that the fish would come and be trapped in those ditches. The next day they would collect the fish. In reality, they did not follow Allah's law, but only pretended to. Those who did not observe the law were change into hateful apes.

AZAB FOR CHALLENGING ALLAH TA'ALA

AS MENTIONED IN THE QURAN

Have you not seen how your Lord dealt with the People of the Elephant? Has He not turned their plan into nullity? And He sent upon them flying birds in flocks, Throwing upon them stones of baked clay, And thus He turned them into an eaten-up chaff.

Surah Al-Fil, Chapter: 105, Ayah: 1-5

As'hab Al-Fil:

Abraham set out to attack Makkah, but his elephant refused to proceed towards it, and then some flocks of the birds came from seaside, each one of them having in its beak three pebbles of the size of gram seeds or lentils. They flew over the army of Abraham and pelted them with pebbles, which worked like bullets and pierced the bodies of the soldiers. The soldiers and elephants fled in panic. Many of them died instantly and rest of them died on their way back. Abraham was afflicted by a deadly disease that spread poison all over his body, and finally he died in Yemen in a miserable state.
