Rajiv Yuva Kiranalu Courses:-

Rajiv Yuva Kiranalu is conceived by the Govt. of Andhra Pradesh to build job specific skills among the unemployed and place them in appropriate private jobs. Vision of RYK is to Convert large no. of non-literate, school drop out, unskilled and unemployed youth into productive workforce by building their skills thereby promoting inclusive growth. The mission proposes to employ 15 lakh youth in jobs in the private industry by 2014. The implementation shall be on a mission mode. To operationalise the programme, Government have constituted

High level council Rajiv Education and Employment Council of Andhra Pradesh (REECAP) has been set up under the Chairmanship of Honorable Chief Minister with 9 cabinet ministers, Principal Secretaries of relevant departments and 10 representatives of the Industry and Academia for creating necessary policy environment and guiding the implementation process. This is a unique body which brings the best of Govt. Industry and Academia together to maximize opportunities for the unemployed youth.

An exclusive State Level Society Rajiv Education and Employment Mission in Andhra Pradesh (REEMAP) have been registered to coordinate the efforts of all sub-missions on a mission mode.

REEMAP will function through 7 sub- missions constituted in 7 Govt. Depts.

namely:

- I. EGMM
- II. MEPMA
- III. Employment and training
- IV. Technical education
- V. Tribal welfare
- VI. Minorities Welfare
- VII. Hyderabad Collectorate

As far as Training programs are concerned, it may be stated that 2 month courses are conducted

For the SSC passed who are between age group of 18-35 years and below poverty line! These Courses are conducted in association with MEPMA. Courses are conducted in subjects like:

Web Designing and programming

Multimedia and animation

Hardware and Networking

DOA (MS Office, Internet and BOP Environment)

DTP

Accounting Package (Tally, Wings and Focus)

Candidates are advised to refer to the Dailies in English and Telugu every day for advertisement by the government in this regard.

Apart from the above "Other" training courses, several Private Training institutes, mainly in the IT and IT field keep advertising in the local press, i.e. English and Telugu dailies. The youth must keep looking for them and apply for them accordingly.
