OR

b. Integration of various princely states into the new Indian nation was a challenging task. Discuss.

15. Reading the given (text) understanding and interpretation.

a. Read the following paragraph and write your interpretation.

“Greenpeace has taken up the impact of climate change across many countries. It aims at “ensuring the ability of the Earth to nurture life in all its diversity”. Over the years, the movement has developed the idea of ‘sustainable development’, that is development which is environmentally sustainable over a long time and also just for all people, both of the developed world and the undeveloped world.”

OR

b. Read the paragraph under the title “The Civilizing Mission” and say, how you agree with it? Why?

The French colonisers, like the British, were convinced that the people of the colonies were uncivilized. So, the objective of their rule was to bring the benefits of modern civilization to Vietnam. Education was one way to civilize the ‘natives’. The French needed an educated local labour force but they also feared that education might create problem. If the Vietnamese people got educated, they may begin to question colonial domination.
