

SUMMER HOLIDAYS - 2020

Name: _____

Class : Class Nursery

Dear Children,

Exciting time is here again! Summer holidays are for relaxation and enjoyment. As important as it is to rest and enjoy, it is also important to continue to learn. Strike a balance between work and play and allow yourself to grow in the process.

Let the vacation time be a doorway to creativity, learning growth and joy !

Relax, enjoy, have loads of fun and come back refreshed.

HOLIDAY HOMEWORK 2020

LET'S BEAT THE HEAT, WHEN SUMMER IS AT ITS PEAK!!!!

Dear Parents,

Summer Holiday are the most enjoyable period for the children this time can be utilised to rewind what they have learned. You can spend quality time with children. Home work is an opportunity to engage them in learning at home. Remember, children need time to just enjoy their childhood. So kindly provide them the opportunity to play, interact and explore. Enjoy the lovely conversations, a visit to family & friends read out a story book or engage the child in exercises of practical learning or simply playing along.

Healthy habits for smart kids:

- They must wash hands, before eating, after playing, after sneezing or coughing and after using the restroom.
- Incorporate more fruits and vegetables in their diet.
- Give kids age-appropriate tasks to help out in the kitchen.
- Keep a day as 'Sharing Day' and encourage your child to share something with those who are in need, Let them decide whom they want to help.

Eg: pencils, books, toys etc.

This activity improves their personality and cultivates/nurtures the habit of sharing and helping others.

Engage your child in the following Fine Motor activities:

- Zipping and unzipping
- Buckling and unbuckling
- Picking up and holding onto small objects
- Turning pages of a book
- Colouring the boarder and making the worksheet colourful.

Trace the picture and colour it. Also speak about the picture.

Read aloud the object and match it to the relevant letter. One has been done for you.

Help the girl reach her home.

Let's join the numbers in sequence from 1-20 and complete the picture.
Enjoy colouring it. Give the bunny a name and speak about it to your friend.

Trace inside the numbers using crayons. Play a number game with your friends / parents. Point out the particular number and your team mate will clap that many times and say the number aloud.

Join the dots and colour the picture.

Count the objects and circle the correct number.

7

Match the sense organs to its functions. And thank Allah (SWT) for His blessing.

Draw the correct number of apples on the trees as mentioned in the box. One has been done for you.

HOLIDAY FUN!

Holidays should be taken as an opportunity to spend quality time and develop a positive bonding with your child. So we have designed a few activities just for you! Parent can re-live their childhood by guiding the child make the paper cup phone and play with the child .

Activity 1 – Thermocol Lacing Plate

Material Required	Description
<ul style="list-style-type: none"> Thermocol plate Punching machine Wool of any colour. 	<p>Instructions: Take a thermocol plate punch holes in plate using punching machine, tie wool to the tooth pick and allow the child insert it in the holes.</p> <p>Learning outcome: This develops fine motor skill and also build the attention span of the child as they sit in a place and focus on it while doing.</p>

Activity: 2 – sorting & number value

Material Required	Description
<ul style="list-style-type: none"> Peg bottles – 5 (small) Thick marker pens to write number. Kidney beans, groundnut, popcorn, grapes or carrot pieces. Posture colours 	<p>Instructions: Write number on each bottle from 1 –5 by using thick marker pen. Provide the child kidney beans, groundnuts, popcorn, grapes or carrot pieces etc. let your child say the number aloud written on the bottle and put equal number of kidney beans or any other item in each bottle. You can ask the child to sort the items too.</p> <p>Learning outcome: Develop fine motor skills, learn number identification and number value by doing practical counting. They also learn different colours as well as sorting.</p>

Note to Parents:

1. Guide the children do the practical counting to emphasize on number value using ice cream sticks, crayons, books, clay and newspaper crumpling.
2. Recap Letter identification by making letters using ice cream sticks, clay and small chat paper cutouts.
3. Picture reading: Make use of the readers to read the pictures loudly by putting their pointer finger.

This smiley badge award

presented to _____

for successfully completing the homework.
