STATE 1st RANK

985/1000
INTERMEDIATE MPC

MSian AYESHA FATHIMA
Batch: 2003-2005

“How did MS help me in achieving this rank?”

Everything happens with Allah's will. Irrespective of all your efforts, success comes only when Allah wills. And success comes to those who take both Deen and Duniya together. - This is what I have learned at MS.

I really appreciate the work MS is doing in bringing young minds close to Allah, by conducting regular iftaras. And the whole Islamic environment that is given at MS helps in bringing regularity in young students for prayers as Namaz is the key for success in both worlds.

I would like to applaud all my teachers at MS, who gave their complete attention and time, in clearing all doubts and teaching the concepts so well.

I would like to thank M.A. Lateef Khan Sir, for his tips on learning and memory techniques and for his continuous motivation.

Lastly, I would like to thank the management of MS, for doing such a wonderful job in carving out successful careers for students. ”

134 MSians HAVE QUALIFIED FOR CHARTERED ACCOUNTANCY

MSian NADIA MOIZ, CA

"MS has again proved it's excellence in helping young buds to transform into beautiful flowers. My journey to become a CA started when I cleared CPT in 2016 under the guidance, selfless commitment and expertise of the faculty of MS who have not only helped me to dream big but also taught me that nothing is impossible to achieve with right efforts and hardwork. Besides imparting best academic knowledge, MS have also inculcated values that moulded me to face the challenging world and blossom in life. I will forever be grateful to this institution for providing best resources and encouraging young Muslim girls like me to envision the road to pursue Chartered Accountancy as a career."

MSian RAZZI AHMED, CA

"My journey to become a CA started after I came across a webinar organised by MS Academy. CA Muneeb Ahmed was chief guest, he highlighted that "CA requires hardwork and smart work and not lot of shortcuts like other courses like Engineering or Medicine fields." That's when I decided to join MS for CA. 2 years of intermediate were amazing in terms of learning and building my foundation for CA. The guidance, selfless commitment and expertise of the faculty of MS have not only helped me to dream big but also taught me that nothing is impossible to achieve. Besides imparting best academic knowledge, MS have also inculcated Islamic values in me. I will forever be grateful to this institution for providing best resources and scholarships. Now I am a qualified CA and currently working with Deloitte."

MSian PARVEEN BEGUM, CA

"Qualifying as a Chartered Accountant provides a person with a keen understanding of how organisations work through finance. It also equips them with the tools to make evidence-based decision-making, and it combines both management and technical skills. It's been a pleasure to start this wonderful journey from MS Senior College CA-Foundation which helps to build a strong foundation for a bright future."

DEGREE COLLEGE TOPPERS

MSian FARHEEN BEGUM
UNIVERSITY RANK: 1st

"I am Farheen Begum, ex-student of MS Degree College, from first batch. Expressing my experience at MS College, I really appreciate the Islamic environment which helps the students to excel in their career while also wearing hijab. I really value Zobia Mom's Leadership as a Principal and Tahera Mom's (Commerce Lecturer) Motivation and Counselling. We were allotted experienced faculty which helped us to achieve Good Marks. During my graduation I have even participated in many Co-Curricular activities and won many prizes, which helped me to sharpen my communication skills. Overall, it was a great experience with nice infrastructure. I feel that I am fortunate to render my services to our Muslim community as Senior Lecturer of economics from past 8 years and my college had played a very important role in that."

MSian NAUSHEEN BEGUM
UNIVERSITY RANK: 2nd

The way MS Management and their staff work together is really appreciable.
