## ABOUT MS IAS ACADEMY

MS Education Academy, having set a bench mark in the school, college, medical, engineering and IIT entrance examination has set foot in the Civil Services Examination.

Under its “**MS Khidmat Initiative**”, MS has started IAS Academy in the year 2017 to train the Muslim youths for the prestigious examination of the country; UPSC Civil Services Examination. Induction programme for the 10<sup>th</sup> batch has been initiated.

It is a completely free residential coaching programme. Students are provided free accommodation along with food. They will be rigorously trained under the guidance of expert faculties, bureaucrats and civil servants.

## WHY MS STARTED IAS ACADEMY?

A quick glance at the statistics of Sachar Committee Report shows that our community constitutes more than 18% of the population of our country. The picture is grimmer if we see the percentage of Muslims in Government related employment, which is only 4%. If we want to become asset to the country, we need to start contributing and representing in every sphere.

## UNIQUENESS OF MS IAS ACADEMY

Apart from covering UPSC syllabus, MS IAS Academy also conducts Creativity, Mindmapping, Speed Reading and Memory Development classes which are considered 21<sup>st</sup> century learning skills. The above classes enable students to boost their memory power and sharpen their critical thinking.

For civils preparations, mentoring by previous and present bureaucrats is of paramount importance. Knowing this, MS IAS Academy is blessed with numerous mentors who visit, guide and counsel students almost every month. Students will be taken on field trips to chambers of notable officers to get the feel of real servicemen in action.
